Core Education - Written English COMPLETE

All courses must be completed with a grade of Pass or C- or better.

Course	Title	Grade	Credits	Term	Repeated/ Regression
--------	-------	-------	---------	------	-------------------------

Core Education - Cultural Literacy		COMPLETE				
	Course	Title	Grade	Credits	Term	Repeated/ Regression
✓ US: Difference, Inequality, and Agency	HIST 202	Building the US	B+	4	Winter 2023	
✓ Global Perspectives	ANTH 161	Intro Cultural Anth	B+	4	Fall 2022	

All courses must be taken for a letter grade of C- or better or a mark of Pass (P or P*). Your major can impact which course(s) you choose to meet the BS requirement. Once you have completed your MATH placement, consult with your advisor to determine the best way to complete this section.

Core Education - Areas of Inquiry INCOMPLETE

Students must complete a minimum of 45 credits - 15 credits of approved area-satisfying courses in each of the three-general education areas: arts and letters, social science, and science. Each area must include coursework in two different subject codes. No more than three courses with the same subject code may be used to fulfill the 45-credit requirement. MUS and MUJ are considered as one subject code; MATH and STAT are also considered as one subject code.

✔ Economics Lower-Division Electives						

Minor in Mathematics

COMPLETE

Credits required: 30 Credits applied: 32 Catalog year: Winter 2026

Coursework transferred in from Advanced Placement or International Baccalaureate exams are acceptable with a mark of P*. Upper-Division courses used to fulfill the minor requirements must be taken for a letter grade and passed with a grade of C- or better. One upper-division course used to fulfill the minor requirements may receive a grade of D+, D, or D-. Students may only count one course in MATH 343, 345M, or 462 toward the upper-division requirement for the minor. Credit will not be given for MATH 343, MATH 345M, or DSCI 345M if courses are taken after completion of MATH 462.

	Course	Title	Grade	Credits	Term	Repeated/ Regression
✔ 30 Minimum Minor Credits Required						
✔ 15 Minimum MATH Credits Earned at the University of Oregon						
✔ Mathematics at 200-Level or Above	MATH 232	Elem Discrete Math II	B+	4	Fall 2023
